### Murder Mystery Dinner

Save the date for October 13<sup>th</sup>! It'll be an evening of family fun and fellowship, with a mysterious crime to solve. Featured entertainment will be an interactive mystery play written by Zion's own Pat and Jason Martin. If you didn't make it to Broadway, there might be a speaking part for you here.

This will be a community event, so please invite your relatives, your friends, and your neighbors. Let's pack the house! Proceeds from this event will go to All Among Us. Reservations are a must – you can call or email the church office.

# Jesus is Walking with Us

After I wrote that title to this article, I kind of sighed and said, “Thank goodness He is walking with us, because without Him beside us this is really going to be hard!” Now, don't get me wrong, what is ahead of us is not impossible, just a lot of things to do in a short amount of time.

So, what is ahead of us in the near future? I'll start with a few things and then finish with the meeting I had with the wider church and the seminary relative to moving ahead with my TEEM program.

Right around the corner (Sunday, October 7<sup>th</sup>), we will be starting our Stewardship effort. In addition, we already have planned a special Bible Study on the movie that some of us saw, “An Interview with God.” (IWG) That also starts on Sunday the 7<sup>th</sup> of October. So here is what the month of October looks like:

## **Sun, Oct 7<sup>th</sup>**

11am-Stewardship: What are your gifts?

## **TEEM**

When Zion submitted their Ministry Site Profile (MSP) to the Central States Synod (CSS) in the fall of 2017, they recommended that I become a Theological Education for Emerging Ministries (TEEM) candidate. That was approved by the CSS and by the wider church of

the ELCA. I was accepted by Wartburg Theological Seminary (WTS) for my course work. I met with a group made up of all that alphabet soup on Friday, September 21<sup>st</sup> and am in the process of enrolling in the required courses that will hopefully lead to a recommendation for ordination upon completion.

Most of the course work will be a repeat of the courses I took way back in 1993-1995 that led to Consecration as a Parish Ministry Associate on the May 14<sup>th</sup>, 1995. Most of the WTS courses will be either online or what is called “intensive course” (Monday-Thursday) at Wartburg, so I will be here with you almost all of the time.

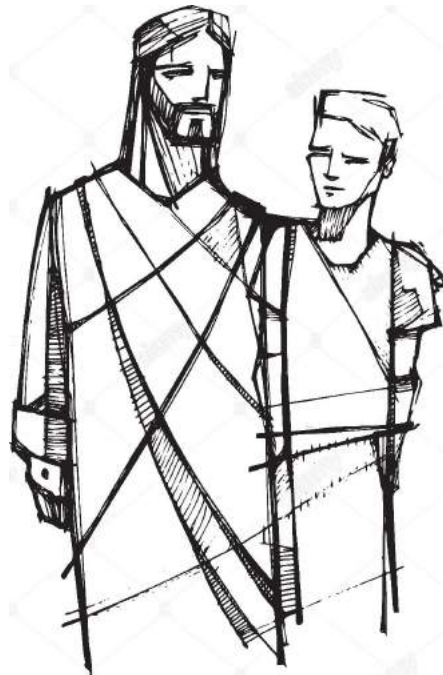

The idea is that these additional courses will help Zion as we go into the future of serving God and others (Love God & Love Neighbor). I pray that will be the case. I welcome your prayers as we together walk this path.

I realize that most of you see me as your pastor and I feel the same way, but I am not “The Reverend”. That means as we go through the time (probably 2+ years) that I will continue to be your pastoral leader and continue doing what I've been doing for the past two years.

We have God's work to do and I know that Jesus is walking with us in all that we do.

God is good and full of GRACE!

Blessings,  
Larry

## CDC News

The weather is starting to cool off & things are going great in the CDC!

We officially kicked off the start of our school year in the preschool on September 4<sup>th</sup>. We currently have 32 children in our preschool and they are having a great time learning and playing. Our themes for September were apples, all about me, and transportation. Our students did apple tests and science experiments with apples, and have made books with information about themselves and their families.

As we move into October, we look forward to learning about pumpkins, farms, Halloween, and fire safety. Our preschool will be visiting Theis Farm this month and the Ferguson Fire Department will be coming to visit us.

Our school agers are about to begin a very big project that will be revealed to the congregation during Advent and we are so excited!

We are currently looking for volunteers to help tutor a few of our students in math and reading/writing. You could come one day a week after school, or you could plan to come when Ferguson-Florissant has a half day. See Ms. Courtney if you are interested or have any questions.

Finally, we want to welcome Ms. Michelle to our staff. Michelle is the mother of Calvin who has been with the CDC for some time now. Michelle will be working with our youngest, the 2 year olds, in the Rainbow Room.

Thank you for all your help and support!

Blessings,

Courtney Chandler,  
CDC Director

## Food Pantry

The final count of cereal boxes collected for St. Stephen's Food Pantry was 105! Our new goal is collecting 100 tubes of toothpaste, any brand, any size (although family size is preferred). Toothbrush donations are also welcome.

## AAU: Special Request

We are in need of a team of people who can help us clean up the Center in preparation for opening. We are thrilled to finally see the dust from the renovation start to settle so we can open our doors. But now we're ready to get that dust out of here! Will you help us?

We are looking for clean up crews for October 3rd, 4th, and 5th. Email us at [volunteer@allamong.us](mailto:volunteer@allamong.us) to join our team (or contact Andi at Zion and she'll sign you up), and catch a quick glimpse of the Women's Care Center before anyone else!

## God's Work. Our Hands.

For the fifth year in a row, Zion Lutheran Church in Ferguson joyfully participated in God's Work Our Hands on Sunday, September 9, 2018, a day of service promoted by the Evangelical Lutheran Church in America to be one church, freed in Christ to serve and love our neighbors.

Zion members brought home baked cookies and packed them in boxes to give to first responders in the Ferguson community. They delivered the cookies and thank you notes to the local fire and police departments. The Zion children loved sitting in the fire trucks and trying on the fire suits. One first responder told a member that they really appreciated someone making the effort to come to them and say thank you.

Prior to the day of service, Zion members collected personal care items for the skilled nursing facility (Oak Knoll) across the street. Members packed the personal care items in boxes and then took them to Oak Knoll Skilled Nursing and Rehabilitation Center and distributed them with the assistance of Lauren, the Activities Director. One resident was so excited that she started singing "Jesus Loves Me" and the Zion members joined her. Lauren told the group that she was amazed because this resident was mostly non-verbal.

The Service Team at Zion is currently organizing a long-term project called "Love Thy Neighbor" where they find volunteers who are willing to assist members of the community with whatever chore or assistance they need like yard work, light bulb replacement, notary services, etc.

The members of Zion are so grateful to be able to get out in their community to love and serve their neighbors.

# Report from Zion's Service Team

**We want to thank everyone for their participation in God's Work. Our Hands.** It was so exciting to see everyone involved and to go out and thank our community's first responders and visit our neighbors at Oak Knoll. We hope you got a chance to see all the pictures from the day during worship on September 16<sup>th</sup>. If not, look for some of the pictures on the east wall of the sanctuary!

**"Love Thy Neighbor" Project:** We are going to turn our focus to a project dedicated to helping our neighbors. There are two sides of this project...helping our neighbors and receiving help. We'd like to help by doing what is needed for Zion member's and their friends, family and neighbors.

Here are some ideas of ways we thought of that might help our neighbors:

|                |                     |                                    |
|----------------|---------------------|------------------------------------|
| Yard clean-up  | Garage clean-up     | Hauling trash/recycling            |
| Pet sitting    | Tutoring            | Sewing                             |
| Babysitting    | Notary services     | Driving to errands/shopping        |
| Dog walking    | Minor repairs       | Meal help                          |
| Letter writing | Help writing checks | Light bulb/<br>battery replacement |

There are slips of paper next to a box beneath a poster in the Coat Room. Please use the slip of paper to tell us help that is needed (either for you or a friend) or things you would like to do to help – or talk to a Service Team member.

Please join us in identifying ways we can help our community and in volunteering to help. We welcome your input and ideas!!

**Thank you from the Service Team:** Stacey Miller, Pam Statler, Sue Dunham, Kristen Kinney, Justin Kinney, Annis Tucker, Dawn Tucker, and Linn Moore

## Altar Guild Needs

This team of dedicated members serves to prepare the Lord's Table for us each week. Currently serving are Deb Balestier, Dorothy Kaiser, Kim Malin, Esther and Bob Negwer, and Judy Stoverink and Tony Harkins. Audrey Fink provides assistance. Please say thanks to them and consider if being on their team is a way for you to contribute your talents. Changes are being made to make the responsibilities easier as well as a implementing a different kind of scheduling (rather than a month at a time).

Please talk to Dot Kaiser if you have any questions or would like to volunteer.

# Passing the Peace

Where did the practice of “passing the peace” originate? What is the purpose? Recently the “Passing of the Peace” was moved to the beginning of our worship service. Passing the peace is not about asking questions or making plans.

Jesus is the one who spoke these words of greeting. John 20: 19 “Peace be with you.” Jesus is speaking to the disciples when he comes to them behind locked doors on Easter evening. In John 20:26 Jesus comes to the disciples a second time when Thomas is with them. Paul also uses this greeting in his letters: Rom. 1:7 “Grace to you and peace from God our Father and the Lord Jesus Christ.”

So during our time of greeting we stand, turn (or walk a little way) to our neighbors, shake their hands, and speak the words, “The peace of the Lord be with you” and receive the words in turn, “And also with you.”

*“The gesture is simple, but the meaning is profound. When we extend our hand to another, we identify with Jesus, who extended his life to the point of death to make peace with humanity (Col. 1: 19-20 “For in him all the fullness of God was pleased to dwell, and through him to reconcile to himself all things, whether on earth or in heaven, making peace by the blood of his cross.”) What’s more, in the midst of divisions we symbolize our unity through handshakes and hugs (Eph. 2:14-21). Likewise, when we regularly pass the peace we practice God’s call to make every effort to maintain the bond of peace (Eph. 4:3 “eager to maintain the unity of the Spirit in the bond of peace.”)”*

*“In other words, passing the peace challenges us to be more than polite. We might say that it dares us to move beyond ourselves—our interests, our concerns—and create Christ-like community with others. It is the practicing of “a communal way of life framed by Christ’s peace” that makes this gesture so significant.”*

*“We might also make it a normal practice whenever we gather—not just during worship. Pass the peace at the conclusion of a council meeting. Begin fellowship meals and potlucks by passing the peace. Encourage the youth to pass the peace at their group meetings. In these various settings encourage innovation and variation. Perhaps youth groups will greet one another fist to fist or elbow to elbow. Let children run over to their Sunday school teacher or find Grandma or Grandpa. And let all express the words in a way that is most natural, everything from “The peace of the Lord be with you” to “God’s peace” or simply, “Peace.”*
